Midge Wagner

It is with great pleasure that I write this letter of support for the wonderful work that your organization has done. The Vallejo Inter-Tribal council has been paramount in bringing the importance of the Glen Cove Burial site to the forefront of the public conscience with great strength and courage. I have witnessed firsthand at your meetings the efforts of Indian and Non-Indians alike working together in a common goal of preserving history and it makes me so proud to be a part of this exciting time. The Me-Wuk Indian Community of the Wilton Rancheria thanks your organization for all of the outstanding work that you have done thus far and wishes all of you the best of luck.

Sincerely
Henry Sangmaster
