

West County Toxics Coalition  
1019 MacDonalld Avenue  
Richmond, CA 94801

March 9, 2005

To The Greater Vallejo Recreation District.

The West County Toxics Coalition supports the Vallejo Inter Tribal Council demand to save the sacred sites at Glen Cove.

The native people have suffered enough. Sacred sites are protected by the California Environmental Quality Act.

Sincerely,

*Dr. Henry Clark*
